To be eligible you must be:

- 60 years of age or older
- Married/partner or widow of a veteran with traumatic brain injury
- Current unpaid caregivers of a veteran with traumatic brain injury or former caregivers of a veteran with traumatic brain injury who has passed away
- Willing and able to participate in a 90-minute online small group interview
- Willing and able to complete brief online surveys before the small group interview
- Have access to a phone, tablet, or computer with a microphone that was made within the last 5 years
- Have basic computer literacy skills

If you are interested in participating, please use any of the following options to complete the brief online screener to determine whether you are eligible.

To complete the screener, please click on the link below or scan the QR code using the camera app on any smart device which will access the online screener.
