Do you want to help your fellow **STUDENT VETERANS**?

- Completed military basic/initial entry training?
- Current full-time **graduate or undergraduate** student attending a four-year university?

Student Veterans have many capabilities and much to say in the academic world. We want your participation in this study aimed at predicting success in **career transition** in student Veterans!

Dr. Chung-Yi Chiu and Dr. Dustin Lange (USMC Veteran) from the University of Illinois are conducting a study about career transition among student Veterans. This study is funded by the **University of Illinois, Urbana Champaign Research Board** and the **Chez Veterans Center**.

This survey includes three phases. Participants will receive a **$10 gift card** for completing each phase, **totaling up to $30**. Each phase takes 20-30 minutes.

Please sign up for the study through the intake form by scanning the QR Code or visiting [https://go.illinois.edu/veteranstudy](https://go.illinois.edu/veteranstudy)

If you have questions or comments, please contact **veteranstudy@illinois.edu** or call us at 217-300-2800.

*Thank you so much for your help!*
